Message from the Head of School

Thank you to all the parents and carers who attended the meeting on Monday. It was great to share with you our vision to develop the school. If you missed the meeting and would like any clarity on anything, please do come and speak to us. The presentation used during the meeting has been shared on ClassDojo.

Term date change

An additional inset day has been scheduled for Friday 3rd January 2025, during which the school will be closed to all the children. This day will be used for staff training and development. The revised term dates can be found on the school website and we apologise for any inconvenience this may cause.

During assembly, I shared with the children our school's ethos which we would expect to see the children do throughout their school day and at home. The ethos is themed on the 5Cs which consists of: **Care** | **Courtesy** | **Commitment** | **Consideration** | **Cooperation**

Enjoy a sunny weekend and see you next week!

Best wishes
Mr Aloum

Coffee Mornings

We will be starting our new coffee mornings from Friday 4th October from 8:45. This is a great opportunity for parents and carers to come into the school to find out about different topics which will help support you with your child's learning.

If you would like any coffee mornings to be themed on a specific area of school life, then do let Ms Rushnara Khan or Ms Jayshree Chauhan know.

Ms Khan's Tuesday coffee morning will continue as normal from 8:45.

Attendance

Regular attendance is vital to academic and social success. It ensures that children are always learning new skills and knowledge and have the opportunity to build strong relationships with their teachers and friends. Our school aim is for the attendance to be above 96% so let's work together to achieve this goal!

**Whole School Attendance
Target:**

96% +

Top 3 classes for attendance last week are:

1	4S (Mr Siddique's class)	98%
2	6A (Ms Anthony's class)	96.8%
3	RR (Ms Robinson's class)	96%

School Councillors

A school council is a formal group of children who act as representatives of their classmates in discussing school issues with different members of staff. It's a brilliant way of representing and contributing to pupil voice in your school.

Year 4 have started working with the Absolute Theatre staff to create a show called 'I'm a Londoner.'

Our Learning Zone children have been enjoying exploring all the things they like through painting, eating and playing sport.

Reception:

Our topic this half term is...

Marvellous Me!

We are learning about all the things that makes me who I am.

This week we have used mirrors to help us draw self portraits.

We really enjoyed learning how to draw and colour in our pictures.

We even wrote our names!
